CLINTON HIGH SCHOOL

Thank You

The Class of 2015 would like to take this opportunity to show our thanks and appreciation to the entire staff and administration for four amazing years at Clinton High School.

Thank you to our class advisors, Mrs. Pupecki and Mr. Moisan, for their support over the past four years. We would not have had such a memorable high school experience without your dedication and faith in us. To Mr. Hastings and Mrs. Kach who made CHS a comfortable environment to help us grow into the people we have become. We would also like to thank Mrs. Solar, Mrs. Pupecki and Mrs. Moran, in the guidance department, who helped us with our endless college questions, scholarships and plans for the future. To Mrs. Sweatland, who made sure our Graduation Ceremony was perfect and that our years at Clinton High School were successful.

Thank You

The Class of 2015 would like to make a special thank you to Mrs. McDonald for her many years of commitment and hard work. This yearbook never would have been able to happen without her. Although making the yearbook is not an easy job, she made it possible for us to be able to carry our high school memories with us forever. She has influenced many students throughout her career and passed on her love for art to all of her students. We would like to wish her the best of luck in her retirement after many years as the art teacher here at Clinton High School.

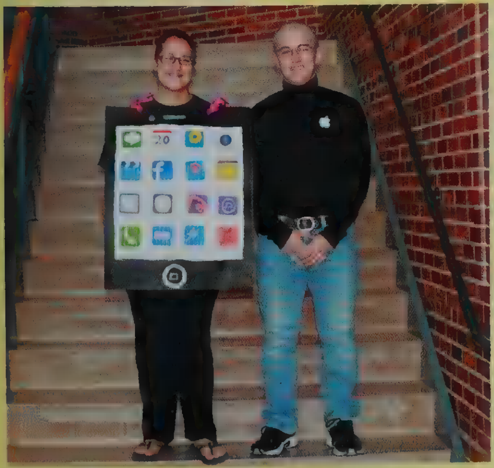
Freshman Year

We entered Clinton High School in the Fall of 2011 as Freshman willing and ready to start a new chapter in our lives. Not knowing the challenges that we would face over the next four years, we hung on to the friendships we had known in middle school while forming new ties with fellow upperclassmen. In our first class elections we elected Alex Rogers as President, Rachel McGown as Vice President, Gaby Hastings as Secretary, and Eben Philbin as Treasurer. The Student Council Representatives were Alex Zapantis, Lexa Souza and Sydney Knoll. The year passed quicker than expected but with the help of our Class Advisors, Mr. Moisan and Mrs. Pupecki, we made it through the year!

Sophomore Year

As we entered the halls of CHS in the Fall of 2012 we were excited to finally be Sophomores. This year we elected Felipe Bispo as President, Rachel McGown as Vice President, Lauren Beary as Secretary and Juan Melendez as Treasurer. The Student Council Representatives were Alex Zapantis, Lexa Souza and Sydney Knoll. Unaware of how fast the first two years flew by, we looked forward to the excitement which lay ahead.



Junior Year

When we returned to CHS in August of 2013, we were finally upperclassmen. We elected Rachel McGown as President, Alex Zapantis as Vice President, Lauren Beary as Secretary and Eben Philbin as Treasurer. Our Student Council Representatives were Alex Rogers, Lexa Souza and Kenel Meunier. Our first event of our Junior Year was our Mardi Gras themed Homecoming. We proved ourselves worthy in the Spirit Week events by taking second place overall. Our Prom was held on May 17th, 2014 at Wachusett Mountain and we enjoyed the Westboro YMCA for our after-prom party. We were thrilled to have finally completed our Junior Year and we were anxious to return as Seniors. We could not wait for the excitement that was to come our last year at CHS.

Senior Year

As we walked through the doors of CHS in August of 2014, we couldn't believe that our Senior Year was already upon us. Everyone says it, but it's impossible to realize how fast high school goes until one experiences it firsthand. We elected Rachel McGown as President, Alex Zapantis as Vice President, Lauren Beary as Secretary along with Kenel Meunier, Jennifer Noel and Lexa Souza as our Student Council Representatives. We were busy filling out college applications, making decisions, enjoying senior activities and most importantly making memories. We attended Senior Hop, placed first in Spirit Week, and before we knew it we were being called down to measure for caps and gowns! On June 6 we came together for the final time as the class of 2015 and will forever cherish the remarkable moments of our Clinton High School education.

FIRST Robotics

The 2015 FIRST Robotics Competition was Recycle Rush and teams were challenged to stack containers, totes, and pool noodles that resembled litter. After a six week build season and sitting out the first three weeks of the NE District competitions, Gael Force was ready to compete four out of the next six weekends. The fun started at the University of New Hampshire and after finishing 14th out of 40 teams in the qualifying matches, the team was picked by the #2 alliance. Together the alliance finished second overall after falling in the finals. Team 126 also showed well at the competition by winning a Judges Award. The team rebounded quickly and played four days later at Northeastern University where they improved to finish 5th after qualifying matches. As captain of the 4th Gael Alliance Gael Force finished first in the quarter finals before bowing out gracefully in the semi-finals. Gael force continued to show well at WPI where they competed with 59 of the best teams from New England. Despite the success there and qualifying in the 16th place, the team was not selected by an alliance captain. Gael Force had another strong showing at the World Championships in St. Louis where they got to christen the new Carver Field. After qualifications the team was ranked 9th out of 76 teams. Once again a captain, a strong showing in the quarter finals left the team just a few points shy of advancing to the semi-finals. Overall, 2016 was another great year for Team 126. Everyone is very excited to compete in 2016 where Gael Force will be celebrating their 25th year of existence.

Put on your big green sweater
with the big gold letter
as we cheer those Clinton Gaels along.

Through the worst of weather we will stick
together as we sing this merry song.

All hail the green and gold,
let Clinton's fame unfold

We'll raise the banner to the sky
for the honor of Clinton High!

As we go marching down the field,
we'll hold that line and never yield.

And then we'll fight to heights untold
for dear ole' Clinton's Green and Gold!

Captains Felipe Bispo, Juan Melendez, and Jeff Tetrault led the boy's soccer team to a record breaking season. Individual and overall team records were shattered to make the 2014-2015 soccer season the most memorable one yet. The Clinton Boys' Varsity Soccer Team finished the regular season with an undefeated 15-0-3 record, the first time in the history of the Clinton High soccer program. Through hard work and teamwork, the team was able to capture back-to-back league titles and the best record in the history of Clinton High School. Goalie Ga Massicotte was able to achieve 21 career shutouts, beating the previous school record of 16. Felipe Bispo notched 89 goals throughout his four years of Varsity Soccer, setting a new school record.

Field Hockey

The Clinton Lady Gaels field hockey team finished off the year with a 3-12-1 record, and although they may not have had the winning season they had hoped for, they made the most of their time together on and off the field. With a string of seniors who have been playing together since the seventh grade, this felt more like a family than a team, and no matter where their paths take them, they will always be Lady Gaels.

Lead by Senior Captain Chris Gibbons the Clinton Gaels Varsity golf team finished on a strong note with a 9-7-2 record and qualified for the District Tournament for the second time in a row.

The Gaels also finished in third place in the Mid Wach C Division with a 5-5 record.

The Gaels were a very young team this year with just one senior, Captain Chris Gibbons. Chris finished a stellar career by being named a Mid Wach All-Star.

Douglas Price and Frankie Matos where the Juniors on this year's team. Sophomore players included Dan Thompson, Mike Gibbons, and Brandon Lee. Dan Lowe was the lone freshman player, followed by 8th graders Justin O'Toole and Patrick Flaherty. Bobby Gibbons was the youngest player as a 7th grader.

I was very impressed with the way the kids handled this season.Being so young of a team, I didn't know what to expect; but they played a lot during the summer, and their talents showed during the season. Hats off to them!

Girls' Basketball

After suffering through a winless campaign in 2013-2014, the Lady Gaels showed tremendous improvement this season picking up three wins and were very competitive in others. The highlight of the season was the win in Gardner which was the first league win in three years. The Lady Gaels were led by Senior Captains Alexis Dylewicz, who again represented Clinton at the All-Star Game, and Sydney Knoll who was an academic all-star.

Boys' Basketball

After graduating eight seniors from last year's team that went 21-4, this year's team was expected to be a rebuilding year. But they had other thoughts in mind. With hard off-season training and solid commitment from the four seniors, Brendan Kittredge, Austin Gannon, Greg Winn and Duke Ogeto. The Gaels came flying out of nowhere with 12 wins and 6 losses and ran the table all the way to the District Finals. The last time CHS made it that far was 1979. The highlights of the year was beating Nashoba during the regular season after being down 15 points at half-time and beating Tyngsboro at WPI. This years team also saw two milestones reached as Brendan Kittredge went over the 1,000 point mark against Maynard, broke the boys all time scoring record against Oakmont and finished up his career with 1,450 points. Also, Coach Tony Gannon made his 300th win against Hudson on December 29th. Kittredge was again the league MVP by a unanimous vote amongst the league coaches. The four seniors have left their mark on the CHS basketball program and we wish them all the best of luck.

While excelling in their individual events it came down to team effort and support. John Mayou and Carlos Nieves excelled in the two mile, one mile, 800 and the 4 x 800. Jon Mariano and Edmund Bates excelled in the discus and both qualified for the District Meet and the State Qualifier. Stephen Tencati, Ben Winchester, Ryan Howlett, and Edmund Bates excelled in the javelin. Stephen, Ben, and Edmund all qualified for the District Meet, League Meet, and State Qualifier in the javelin. Casey Fournier, one of the pole vaulters tied his personal best this year. Duke excelled in the 100 meters and the 4 x 100 and qualified for several events. This was a historic season. It has been 41 years since we won the district meet (1974).
